OFFICE OF PRESIDENT

October 3, 1978

Honorable Edward I. Koch  
Mayor, City of New York  
City Hall  
New York, New York 10007

Dear Mayor Koch:

Mr. Richard D. Trent, President of Medgar Evers College recently sent a letter to you dated September 28, 1978 regarding the college's interest in obtaining the Peak Division of the Methodist Hospital in Crown Heights for use as a permanent campus.

Due to the fact that the hospital is anxious to dispose of this property in the near future, I desire to impress upon you the feasibility of securing said property for the college because of the built-in advantages on every level.

I hope to hear from you regarding this vital matter.

Sincerely,

  
SHIRLEY CHISHOLM, M.C.
