## Why Must We Wait

If it is going to take a long time  
to remove Dr. Trent  
We are going to remain struggling  
until he leaves  
But why must we wait  
What is it that makes this  
man hold on so long  
when the students, faculty, alumni, community,  
and our elected officials have asked him  
to resign  
Why must this one man(Dr. Trent)  
jeopardize and insult us and  
the black community this way  
Who are these people that  
are supporting Dr.Trent  
How can they tell us and  
the black community to go to hell  
Why are these white folks and Dr.Trent  
playing with the lives and future  
of so many black people  
Why must we wait?  
Why should these white folks make us wait  
We are a concerned people  
We want a strong leadership  
and quality education  
We have a right to demand  
these things  
So, Why are these white folks and Dr.Trent  
trying to destroy our institution  
These white folks and Dr.Trent  
need to know that we are not  
going to let them destroy us first  
Our struggle is just, Our cause is just  
We are citizens, We are human beings  
Why Must We Wait!
