STUDENT-FACULTY COALITION TO SAVE MEDGAR EVERS COLLEGE

Plan of Action

M. E. C. LIBRARY
(C.U.N.Y.)
BROOKLYN, N. Y.

MONDAY

PETITIONING! The Central Brooklyn Community wants Medgar Evers College to remain a four year institution. One way of showing this support of the College is through the collection of signatures on petitions. These petitions can be used in our lobbying efforts with Governor Carey and the State legislators in Albany. We have divided Brooklyn into sections to be canvased by teams between 12:00 noon and 4:00 p. m. Each team will consist of a driver and five other persons. Petitions must be returned to the College (Prep Room 219) before 5:00 p.m. in order that they can be taken to Albany on Tuesday.

Coordinators: College - Mary Umolu; Field: Robert Johnson and Student Designee(s)

POSTERS! For the Student-Faculty demonstrations on Tuesday (March 2) and Wednesday (March 3), posters must be made which clearly state the plight of Medgar Evers College and our position to those watching the demonstrations. Posters will be made in the Cafeteria beginning at 3:00 p.m.

Coordinator: Don Makuen; and a Student Designee(s)

TUESDAY

LOBBYING! On Tuesday (March 2), a group of Medgar Evers College faculty and students are going to Albany to convince State legislators that the intended action of closing the College must be stopped. This group will also present the signatures on the petitions which we have collected. Its members are: A representative of S. G. A., a student to be designated, Andre McLaughlin, Tobin Barrozo, Roderick Loney, Hilda Richards, Wendell Clement, Don Watkins, Norman Johnson (NAACP), and a member of the Medgar Evers College Community Council.

BROOKLYN ACTION! In addition to lobbying, we must make it perfectly clear to the public that we will NOT accept a decision to make Medgar Evers College a junior college. To do this requires both publicity and a show of strength. We intend to demonstrate at Brooklyn College. Our position is that there will be no four-year CUNY college in Brooklyn unless Medgar Evers College remains a four-year institution.

Coordinators: Don Quinn Kelley, Danny Harrell, Fay Miller, Frederick Richardson and a Student Designee(s)

WEDNESDAY

ALBANY DEMONSTRATION! Governor Carey is scheduled to sign the bill making Medgar Evers College into a two-year community college (at approximately 1:00 P.M.). The Medgar Evers College Community will go in mass to Albany to demonstrate our opposition to the bill. Busses will be provided by S.G.A. Coordinators: Pearl Bailey and Earl Davis.

DARE TO STRUGGLE! DARE TO WIN!

SAVE MEDGAR EVERS COLLEGE!
