

THE STUDENT•FACULTY•COMMUNITY COALITION TO SAVE MEDGAR EVERS COLLEGE

1150 Carroll Street
Brooklyn, New York 11225
(212) 467-7617

MEMORANDUM

TO: Members of the Student Body, Faculty and Central Brooklyn Community

SUBJECT: INTERIM ADMINISTRATOR

DATE: June 16, 1982

On March 25, 1982 when the Coalition was initially formed, the two objectives were to:

1. Remove Dr. Richard Trent as president of Medgar Evers College; and
2. Rebuild the College in the image of Medgar Evers, the man.

At this stage in our struggle for quality education and academic freedom, it is clear that Dr. Trent is no longer acting as president of Medgar Evers College. Therefore, it is critical that an interim administration be established immediately.

The Coalition is proposing that the various groups of the Medgar Evers College community which are represented in the Coalition have input on the criteria for an interim administrator and on the candidate. Together, we will determine who will serve as Acting President during this critical period.

Therefore, we are informing you of the following meetings to select an Acting President of the College:

Tuesday, June 22	3:00 PM	FACULTY ORGANIZATION	Room P407, Medgar Evers College
Tuesday, June 22	3:00 PM	STUDENT BODY MEETING	Gym, Medgar Evers College

Tuesday, June 22	7:00 PM	STUDENT-FACULTY- COMMUNITY COALITION	Gym, Medgar Evers College
